Subject: Letter Regarding Progress and Schedule for Portland Harbor Feasibility Study

Good afternoon,

Please find attached a letter from Gunderson LLC regarding staying on schedule for the delivery of the Feasibility Study in November 2011. Cooperation from all parties is required to meet the already demanding deadline. Providing a quality work product in accordance with our mutually agreed upon path to that deadline is of paramount importance to Gunderson LLC. I hope you agree.

Please feel free to contact me if you have any questions regarding the attached letter.

Best regards,

Dave Harvey
Environmental Director
Gunderson LLC

Hi Chip and Kristine,

Jim and I heard indirectly that Gunderson submitted a letter to EPA regarding FS issues. Since this is an active upland project can we get a copy?

Thanks,
